

NATURE'S NUTRITION GOAT & SHEEP FEED

Goats and sheep are special and unique farm animals that bring fun and personality as well as food and fiber to the Country Life. Because they are special, Pennfield has developed distinctive Nature's Nutrition formulas to meet their individual needs. Whatever their requirements are, Pennfield has a diet that will contribute to the health and well being of your favorite goats and sheep.

DOE-N-KID GOAT FEED

- 16% Protein, 2.5% Fat, 8% Crude Fiber
- Textured feed balanced with vitamins and minerals for starting and growing kids and lactating does.
- Medicated for the prevention of coccidiosis.
- Selenium and chelated trace minerals for bioavailability and improved hoof integrity.
- Balanced amino acids for optimum muscle growth.
- Includes Ammonium Chloride for the prevention of urinary calculi problems and yeast culture for improved digestibility and rumen health.

LACTATING GOAT PELLET

- 16% Protein, 3.5% Fat, 8% Crude Fiber
- Pelleted feed balanced with vitamins and minerals optimal for the lactating goat.
- Energy dense and amino acid balanced for high milk production.
- Selenium and chelated trace minerals for bioavailability and improved hoof integrity.

16% GOAT PELLET

- 16% Protein, 3.5% Fat, 11% Crude Fiber
- Pelleted feed balanced with vitamins and minerals for optimal growth and development.
- Medicated for the prevention of coccidiosis.
- Includes Ammonium Chloride for the prevention of urinary calculi problems and yeast culture for improved digestibility and rumen health.
- Selenium and chelated trace minerals for bioavailability and improved hoof integrity.
- Balanced amino acids for optimum muscle growth.

16% GOAT FLAKE
