NATURE'S NUTRITION POULTRY FEED

A farm is only complete with the soft clucking and bright feathers of a flock of birds. Poultry can contribute to the Country Life, eggs, fertilizer, insect control, and the occasional Sunday dinner. To provide so many things they have many special needs for their diets. Pennfield has developed Nature's Nutrition formulas to fulfill the unique requirements of your flock of turkeys, chickens, ducks or game birds.

CHICK STARTER

- 20% Protein, 3% Fat, 5% Fiber
- Medicated with Amprolium to prevent coccidiosis.
- Feed from hatching to 5 weeks of age.
- A complete and balanced feed for chicks and growing pullets.
- Crumbled form prevents wasted feed.

POULTRY GROWER/FINISHER

- 15% Protein, 3.5% Fat, 4% Fiber
- Feed from 5 weeks through maturity.
- Complete and balanced nutrition for broilers and pullets.
- Pelleted feed for less waste.

POULTRY LAYER FEED

- 16% Protein, 4.5% Fat, 4% Fiber
- Complete and balanced nutrition for laying hens.
- Feed free choice once egg production begins.
- Includes vitamins and minerals to promote strong, hard shells and healthier birds.
- Available in pelleted or crumbled form.

WATERFOWL GROWER/BREEDER

- 18% Protein, 4% Fat, 6% Fiber
- Feed from 2 weeks through maturity.
- Extra protein for strong muscle and feather development.
- Tasty ingredients your bird will love.
- Pelleted form reduces waste.

TURKEY AND PHEASANT STARTER/GROWER

- 25% Protein, 3.5% Fat, 4.5% Fiber
- Feed from hatching to four weeks of age.
- Precisely balanced amino acids for strong muscle and feather development.
- Medicated with Amprolium to reduce the incidence of enteric diseases.
- Critical calcium to phosphorus ratio for rapid bone development.
- Produced in an easy to feed crumble for bird acceptance.

TURKEY AND GAME BIRD GROWER/FINISHER

- 22% Protein, 3% Fat, 5% Fiber
- Feed from 8 weeks through maturity.
- Crumbled feed for less waste.

MEDICATED POULTRY FEED

- Items that contain a red stripe on the tag indicate medicated feeds. Consult product tag for instructions.
